

InDesign CS2 Resource Guide

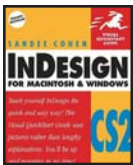

Adobe InDesign CS2 Bible by Galen Grumen. This guide covers InDesign's new features including enhanced integration with Adobe Photoshop®, Illustrator® and Acrobat®, object styles and improved text handling with automatic bulleting. Available from www.amazon.com for \$29.69.

Adobe InDesign CS2 Classroom in a Book by the Adobe Creative Team. Appropriate for beginning to intermediate users of InDesign, this title offers complete lessons for learning the features of the software quickly and easily. The book includes a CD-ROM with full-color files to guide you through the lessons. Available from www.amazon.com for \$32.99.

How to Wow with InDesign CS2 by Wayne Rankin and Mike McHugh. Focused on the designer, this full-color guide uses gorgeous real-world examples and simple step-by-step instructions to cover the newest features of the software without tech-heavy discussions. Available from www.amazon.com for \$26.39.

InDesign CS2 for Macintosh and Windows: Visual QuickStart Guide by Sandee Cohen. Appropriate for all levels, this book features task-based, visual reference guides with step-by-step instructions and plenty of screen shots to guide you through the most important tasks. Available from www.amazon.com for \$16.49.

InDesign CS/CS2 Killer Tips by Scott Kelby and Terry White. This book is packed cover-to-cover, wall-to-wall with nothing but cool little inside tips that can make you faster and better, while having more fun using the software. Available from www.amazon.com for \$19.79.

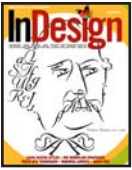

Moving to InDesign by David Blatner, Christopher Smith and Steve Werner. Use what you know about QuarkXPress® and PageMaker® to get up to speed in InDesign. Available from www.peachpit.com for \$17.99.

Real World Adobe InDesign CS2 by Olav Martin Kvern, an award-winning graphic designer and software developer. Written for professional graphic designers, this book is a guide to Adobe's powerful page layout program. Available from www.amazon.com for \$29.69.

Before & After is a print magazine that helps you design pages and graphics beautifully, simply and clearly. Every issue is packed with ideas, lessons and inspiration in the use of Illustrator, Photoshop and InDesign. A one-year subscription (six issues) is \$36, and can be ordered at www.bamagazine.com.

InDesign Magazine is the first bimonthly PDF periodical devoted entirely to InDesign. With editorial direction by page-layout guru David Blatner and creativepro.com editor Terri Stone, InDesign Magazine brings you in-depth features, reviews and tutorials. Charter subscription is \$59 and may be ordered in PDF format at www.indesignmag.com.

Inside Adobe InDesign gives you an on-going supply of inspiring ideas and easy-to-implement strategies designed to help you get the job at hand done quickly and creatively. With easy-to-follow, step-by-step instructions and four-color illustrations included in every issue, you can apply the tips, techniques, and shortcuts you'll learn quickly and easily! A one-year subscription (12 issues) is \$117 and can be ordered at www.elijournals.com.

Total Training for InDesign CS2 will help you go from apprentice to InDesign expert. Total Training has developed an engaging and memorable video training series. Presented on two DVDs (16 hours) by Adobe software expert and professional designer Steve Holmes, you'll walk through all the fabulous features, learn techniques and get tips and tricks all along the way. The DVD training set is available at www.totaltraining.com/store for \$249.99.

Virtual Training Company InDesign CS2 covers the application's many tools, page setup, creating and importing tables, text and image manipulation, previewing and printing, and much, much more. The training DVD contains more than 11 hours of instruction, and is available at www.vtc.com/products/indesigncs2.htm for \$99.95.

www.adobe.com is a logical stop on the Web for the InDesign user. In addition to finding a list of all Authorized Education Resellers of Adobe products, you can purchase, at educational pricing, a boxed copy of InDesign CS2 for \$199 or Creative Suite 2 for \$399. The site also features updates, downloads, resource listings and technical support.

www.peachpit.com/indesign provides, as a free PDF download, a two-page tip sheet on InDesign CS taken from "Real World Adobe InDesign CS" by Olav Martin Kvern and David Blatner.

www.yearbooks.biz > Support > FAQ > Search for "InDesign." The Frequently Asked Questions section of the Herff Jones Web site is filled with helpful InDesign tips and tricks including:
